Owner's Mailing Address _____ Email _____

When the work is being done on City Property, work MUST be done by a State licensed/bonded contractor. **Minimum 48 Hours'** notice is required before hook-up. All sewer joints shall be watertight and inspected by the City prior to backfill of trenches (City Ord. 9-5-9). All pipes will be bedded with gravel. All connections to mains must be done by City Personnel. All work must be done in compliance with the City's Public Design Standards and ordinances, and in accordance with all State MCAs, specifically Title 69 Chapter 4.

Contractor's Name _____ Proof of Insurance / Bond Y / N

Address _____ Phone # _____

Email _____ City Business License # _____
State Business License # _____

I understand that this request is for the above listed property to be connected to the City's water and/or sewer main, or to install a main to this property. The Impact Fee(s) paid is in conjunction with the fees set by the Impact Fee Advisory Committee and adopted by the City Council (City Ord. 3-6).

I understand I will pay a \$250 Sewer initial connection fee (Ord. 9-5-4) and \$250 Water initial connection fee (Ord. 9-2-3.1) with this application. I further understand that I may be invoiced indirect fees associated with the water connection that are outside of the initial impact fee paid. These may include reimbursement for parts like saddles, curb stops, caulking, tees, reducers, asphalt replacement, etc. and will be invoiced to the Applicant's address provided on this application.
