I am submitting this form to inform the City that my residence will be vacant for a period of at least 30 days. I do not desire to have my water service shut off at the curb valve. I understand that I will continue to be billed the minimum monthly charge for sewer (currently $54.25). I also understand that I will not be charged for water unless the City detects usage during my absence. If water usage is detected during any given month, I understand that I will be charged for the water as well as my regular monthly sewer rate (based on previous winter average) for that month.

I understand that the City bears no responsibility for any water damage to my home due to winter weather conditions or other reasons such as water leaks that could occur in my home during my absence.
